**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a smaller internet provider. I chose to leave AT&T and then Comcast. My service has drastically improved with Sonic. They are local, honest, hire in the USA and my access speed has increased. All of this is vital to me as an online professor at a university. Fibre connection allows me to download and upload much faster. I teach film and television editing. In doing so I use computer based software. It is essential that I move large files at a rapid pace.

Do not prevent me from continuing to use my provider. Sonic is the very best service available.

Thank you,

Shaaron Murphy
